

NITIN SINGH

Ghaziabad, India | +91 7217777055 | mr.nitinsingh0882@gmail.com

PROFESSIONAL SUMMARY

Motivated Python Developer with hands-on experience in building AI-powered applications, REST API integrations, and full-stack web projects. Proficient in Python, Streamlit, Pandas, SQLite, and LLM integration using Ollama. Passionate about developing intelligent, scalable, and user-centric software solutions. Currently pursuing MCA with a focus on AI, backend development, and modern Python frameworks.

TECHNICAL SKILLS

Languages:	Python, JavaScript, C++, HTML, CSS
Python Stack:	Pandas, NumPy, Matplotlib, Streamlit, Ollama, SQLite3
AI & LLM:	LLM Integration (Phi-3 via Ollama), AI Chatbot Development, Prompt Engineering
Web & API:	REST API Integration (TMDB API), Frontend Development, Responsive UI Design
Databases:	SQLite, SQL — Queries, Joins, Aggregations, Schema Design
Tools:	MS Excel, MS Office, VS Code
Soft Skills:	Problem Solving, Decision Making, Team Collaboration, Quick Learner

PROJECTS

BankBot AI — AI-Powered Banking Chatbot

Python | Streamlit | Ollama | Phi-3 LLM | Pandas | SQLite

- Architected end-to-end AI chatbot in Python for banking and finance query resolution.
- Integrated Phi-3 LLM via Ollama API for intelligent, context-aware natural language responses.
- Built an interactive Streamlit web interface enabling smooth real-time user interaction.
- Implemented domain-restriction logic with Pandas & SQLite to filter responses and boost accuracy.
- Managed full data pipeline: ingestion, preprocessing, SQLite storage, and response orchestration.

Movix — Movie Recommendation Web Application

JavaScript | HTML | CSS | TMDB REST API

- Developed a fully responsive movie recommendation site with real-time data via TMDB API.
- Implemented dynamic search, trending sections, and poster/rating display using JavaScript.
- Designed mobile-first UI with HTML5 & CSS3 ensuring seamless cross-device compatibility.

FIT-N-FIGHT — Fitness & Diet Management Website

HTML | CSS | JavaScript

- Developed a fitness platform with subscription plans, workout tracking, and diet planning modules.
- Implemented responsive layouts and interactive UI components using HTML5, CSS3, and JavaScript.
- Designed modular codebase to support easy feature extensions and user-friendly navigation.

EDUCATION

Master of Computer Applications (MCA)

IMS Noida, AKTU | 2024 – 2026

Bachelor of Computer Applications (BCA)

Delhi Technical Campus, GGSIPU | 2021 – 2024

Senior Secondary — CBSE

Blue Diamond Public School | 2021

High School — CBSE

Blue Diamond Public School | 2019

CERTIFICATIONS

- Introduction to Python — Infosys Springboard
- Cyber Security Fundamentals — Honeywell
- Infosys Springboard Internship 6.0
